Precious Moments

"FREE" Take One

Celebrating
25 Years
1979 - 2004

"Pat Carson has been one of the most faithful licensees to PRECIOUS MOMENTS since we began producing these products. In fact, she along with her partner, Gloria, (1936-1984) were among the first to embrace this line. They presented their marvelous talent to us as they illustrated their ability to transform my artwork into counted cross stitch. The rest of the story is history. There is no one for whom I have greater respect than this fine lady."
